

Pyramid Depths Mystery

Difficulty: Medium

In the depths of the pyramid, Isaac must disarm three traps to reach the treasures. The traps are Spike, Poison, and Collapse. Each disarmed with a unique method: Lever, Key, or Riddle, and guarding a distinct treasure: Mask, Scroll, or Statue. Use the clues to determine which trap is disarmed with which method and guards which treasure.

Clues

1. The trap disarmed with the Key guards the Scroll.

2. Spike is neither the trap with the Scroll nor the one disarmed with the Key.

3. Collapse uses neither the Key nor guards the Mask.

4. The trap that guards the Statue is disarmed with the Riddle.
