

Western Feast Puzzle Difficulty: Medium

At the High Noon Cookoff, three chuckwagons—Cactus Rose, Dust Devil, and Longhorn—each run by a different camp cook (Sunflower Sue, One-Eyed Pete, Miss Lark) served a different trail specialty (Prairie Chili, Skillet Cornbread, Trail Beans). Match each wagon to its cook and specialty using the clues.

Clues

1. Sunflower Sue's wagon served Prairie Chili; the Cactus Rose wagon did not serve Skillet Cornbread.

2. Miss Lark is not the cook for Cactus Rose; Miss Lark did not make Skillet Cornbread.

3. One-Eyed Pete worked the Dust Devil wagon.

4. The Longhorn wagon did not serve Prairie Chili; the wagon that served Trail Beans was not the Dust Devil.

5. Skillet Cornbread was cooked by the Dust Devil wagon's cook.
